The Hudson Difference

- **Entrepreneurial approach to surety.** Rather than looking for ways to say "No" to a bond request, we look for ways to say "Yes." Sometimes that means being very creative and innovative in our underwriting. And, while we don't compromise our underwriting standards, we are not afraid to do something new or unusual as long as it makes good business sense for all parties involved.
- **Full line of surety products and services.** We underwrite a full line of contract and commercial bonds for Commercial Surety Accounts, including Bid, Performance & Payment, Supply, Maintenance & Warranty, Commercial and Residential Improvement, Subdivision, License & Permit, Financial Guarantee, and Miscellaneous bonds. We can handle almost any surety bond need for your clients.
- **Financial strength and growing capacity.** Hudson Insurance Group was founded in 1918 and is Rated "A" (Excellent) by A.M. Best, Financial Size Category XV. We can consider individual bonds up to \$20 million and aggregate programs up to \$25 million; however, higher limits are available for properly qualified accounts.
