

FINANCIAL PRODUCTS

SMALL/MID-MARKET COMPANIES

Hudson's Private Defender policy is a modular form allowing privately held and not-for-profit companies the flexibility to choose between any combination of Directors and Officers, Employment Practices, Fiduciary and Crime coverage components.

Hudson Financial Products (HFP) has been underwriting management liability insurance for over 20 years, providing a stable market for our brokers and insureds. We offer a suite of Management Liability products to public, private and not-for-profit companies in all industry sectors. While we have historically focused on publicly traded and harder to place private risks, HFP also offers competitive terms and pricing for private and non-profit companies with the following characteristics:
