PROGRAM ADMINISTRATION

PREMIER SMALL PROGRAMS

Hudson's Binding Authority facility is committed to working with you to provide a Premier Small Programs platform to meet the needs of your clients.

We have created a turnkey small programs platform with a comprehensive selection of casualty coverages available on a mono-line basis, and we can build out your custom product offering using our available standard products on a surplus lines basis. We have the ability to add custom endorsements to address the unique needs of your program and customers.

We support our product and customers through quality underwriting and solutions, efficient technology, and excellent service. Our product, relationships and efficient business practices differentiate us from our peers in the marketplace. Further, we offer a competitive commission and profit share on all programs. Hudson has been in the program business for over 25 years and we now are expanding our capability with our Small Program segment within the Hudson Binding Authority facility.
