MANAGEMENT LIABILITY: RISK APPETITE GUIDE FOR THE HEALTHCARE SECTOR

Hudson Financial Products (HFP) professionals are highly experienced in underwriting management liability for healthcare related risks. Our primary “Private Defender” and “Not-For-Profit Defender” forms package directors and officers, employment practices and fiduciary liability coverages, as well as crime coverage, into a single policy. Excess capacity is available on our one-page “TRUXS” form. “A-Side” coverage is available under our A-Side “Defender” policy. HFP has limits up to \$10 Million available for primary and excess healthcare risks. Coverage is available on an admitted basis in most states through Hudson Insurance Company. We tailor the form by endorsement for each risk. We entertain private and not-for-profit risks of all sizes. On larger risks we entertain both primary and excess depending on the risk, pricing and terms. HFP prides itself on underwriting each individual risk on its own merits. Our technical expertise allows us to provide you with more knowledgeable and flexible solutions to meet the prospective insured’s needs.
