Hudson Surety is comprised of an experienced group of underwriters with deep industry knowledge that enables us to offer creative, personalized solutions to our clients. We work closely with select agents throughout the United States to provide superior service.

Hudson Surety provides surety bond products for standard contract surety, commercial surety and specialty contract surety. We have the expertise to work with all types of contractors and the financial strength to grow with our valued principals.

CONTRACT SURETY

Regional knowledge of the construction marketplace has been an important element of our underwriting

approach. Our contract underwriters work closely with our agency partners to understand our customers' needs in order to develop a surety program that supports their plans. Our client base consists of general contractors, as well as many specialty trade contractors.

COMMERCIAL SURETY

Exceptional customer service and a broad appetite for both standard and non-standard risks have driven the success of Hudson's transactional commercial surety business. Our products include all types of license and permit bonds, custom bonds, public official bonds, court bonds and miscellaneous commercial bonds.

SPECIALTY CONTRACT BONDS

For contractors that may not fit the underwriting criteria of the standard surety market, we offer an alternative solution utilizing tools such as collateral and funds control. We support the bonding needs of the contractor until they qualify for our standard surety program and participate in the SBA Surety Bond Guarantee Program.
