

# HudsonPro<sup>®</sup> Management Liability

HudsonPro offers a suite of Management Liability products including Directors and Officers (“D&O”) for public companies and D&O, Fiduciary, Employment Practices Liability and Crime for both privately held and not-for-profit entities. With a stable history in the D&O market dating back to 1996, we have the capacity and financial strength to meet the needs of large, prestigious insureds, as well as small, local organizations. Hudson’s most important deliverables are consistent, thoughtful underwriting and superior claim servicing, an area where Hudson is well regarded by insureds and their representatives.
