Financial Security

Rated A (Excellent) by A.M. Best, Financial Size Category XV

Our team's ability to serve its clients is backed by its superior underwriting and claims expertise combined with impressive financial ratings.

Coverage Flexibility

In a changing healthcare environment you need coverage that can adapt to your needs.

Our medical malpractice insurance is underwritten on a non-admitted claims-made basis. We will look at large and small accounts, single state, or regional. We are flexible with the terms and conditions to meet the needs of our clients.

Proactive Defense

Our claims approach is to provide the best defense and defense counsel available.

We will vigorously defend claims made against you and will only settle with your consent. Our panel of recommended attorneys has been selected because they are dedicated to the defense of medical malpractice claims.

Effective Risk Management

We create a partnership based on the principles of client-driven services and patient safety.

Our risk management consultants are Hudson employees and are a valuable resource to our clients, providing insights and recommendations that are intended to improve the safety and insurability of their practices and institutions.
